

A Document On Semantics And ‘In That’ Positionality

Kevin A. Sensenig Draft 1.01-L 2026 January 5

“In that style I would _____.”

“In that logic I would _____.”

“In that logic’s domain, with those data points, I would _____.”

“In that positionality, particular, with [A, B, C] – that – in mind, I would _____.”

“In that mode of being – individual, cultural, collective, group of like, group of variance – I would
_____.”
